

Camper Range

Gabled Bag Awning

Ideal for wind up camper trailers, this quality bag awning system boasts a top quality reinforced PVC roof, white aluminium pole kit, annexe wall ready zipped gables plus a heat block out film to keep you nice and cool whilst under it.

Kitchen Bag Awning

Perfect for shading the kitchen on your windup camper. This unit boasts quick operation, a robust aluminium frame, variable pitch, as well as the advantage of increased privacy and wet weather coverage.

Expanda Screens

Protect yourself from the sun and rain with our high quality screens. These quick to erect covers come fitted with roll up ties to open it up during the day. A must have for all expanda beds.

Bed End Flys

Keep your bed end shaded and protected from the elements with the ShadeMaster Bed End screen. Conveniently stored within a zippered bag with all the fabric and poles inside, setting this up is both quick and easy. Great for keeping your Bed End cool on those hot summer days – your afternoon siesta will be better than ever. It also provides the added bonus of privacy. Suitable for all RV's that have pop out beds.
